STEWARDSHIP ASSOCIATION

HPSA is a national not-for-profit Producer Responsibility Organization (PRO) founded over 22 years ago
HPSA represents over 146 pharmaceutical brand owners and manufacturers

HPSA mandate is to develop and manage stewardship programs in provinces where extended producer responsibility (EPR) legislations exist.

HPSA partners with pharmacies to implement programs and educate consumers on safe disposal practices.

Manitoba Medications Return Program (MMRP) launched in 2011

Manitoba Sharps Collection Program (MSCP) launched in 2021.

Products Accepted for Return under the MMRP and MSCP

Any unwanted or expired medications, such as:

- prescription medications;
- over-the-counter medications;
- natural health products.

Any unwanted medical sharps used to self-inject or self-monitor at home such as:

- syringes and needles;
- pen injector;
- EpiPen
- lancets.

Since 2011,
HPSA has
collected over
175,000 kg of
unwanted
medications and
23,000 kg of
used medical
sharps in
Manitoba

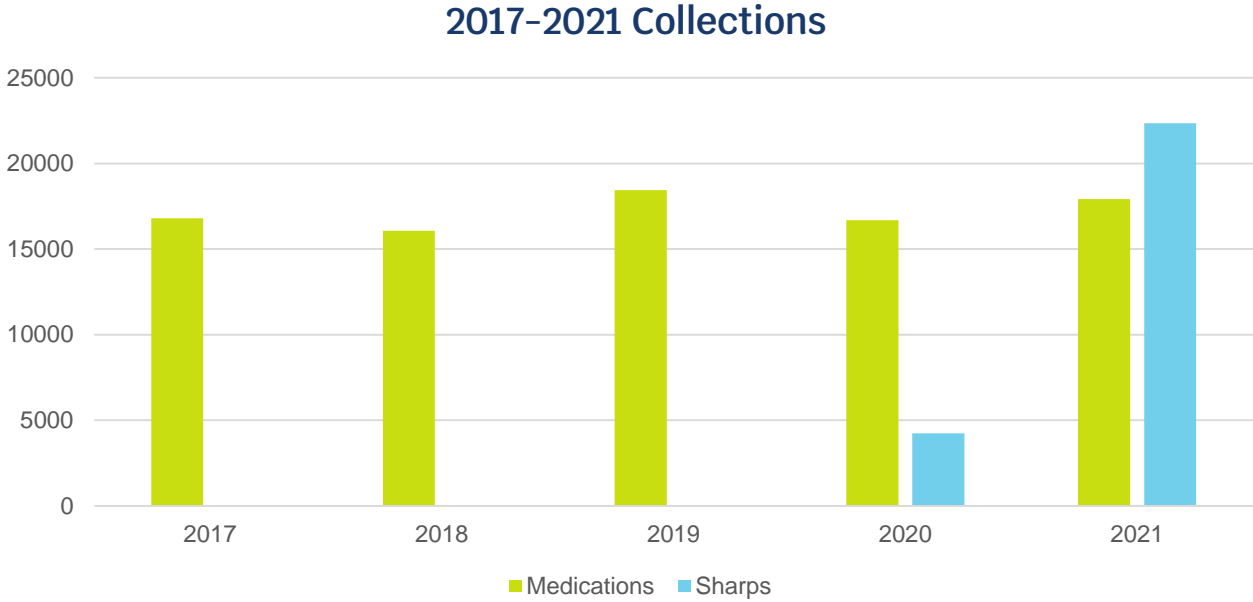

A map of Manitoba, Canada, is shown in a light blue color against a dark blue background. A white callout box with rounded corners is positioned over the province, containing text about medication collection. A thin white line connects the callout box to the province's location on the map.

Manitoba:
