

Welcomes you to the...

2024 Manitoba Recycling & Waste Reduction Forum

October 16-17, 2024

(Viscount Gort Hotel & Conference Centre, Winnipeg, Manitoba)

This conference is taking place on Treaty 1 land and the original lands of Anishinaabeg, Cree, Oji-Cree, Dakota, and Dene peoples, and on the homeland of the Métis Nation.

We also welcome and acknowledge participants from other Treaty lands and territories.

MARR respects the Treaties that were made on these territories, we acknowledge the harms and mistakes of the past, and we continue to look for ways to move forward in partnership with our Indigenous brothers and sisters in a spirit of true reconciliation and collaboration.

2024 Manitoba Recycling & Waste Reduction Forum

The 2024 MARR Manitoba Recycling & Waste Reduction Forum is made possible through funding support from Manitoba Environment and Climate Change.

This year's training and information sessions are supported through a collaborative project led by Manitoba Environmental Industries Association, Manitoba Construction Sector Council, Manitoba Trucking Association and Supply Chain Manitoba.

We also want to acknowledge the following organizations for supporting this year's Forum.

Remember to do your part...

Don't put your paper in the garbage. We'll pick up and recycle all papers left behind today.

Don't throw away any food. All food waste from this event will be composted, including the back kitchen scraps! Follow the instructions from hotel staff.

Don't throw away any beverage containers. Put them in the recycling bin or at least leave them on the table to be picked up by staff.

Join MARR!
